We're BUSY - - - Serving The Livestock Industry

■ Times have changed since the first load of livestock arrived at the Baltimore Union Stock Yards in 1891. By wise planning, BUSY has kept pace with these changes. Today, with its modern unloading docks and other facilities, BUSY is served by fleets of trucks and two railroads, with shipments arriving daily from many states.

More than \$32,000,000.00 in livestock was sold here last year . . . at a terminal market where farmers can always find a wide choice of stockers and feeders, and packers can make a selection from the East's finest livestock. On hand to serve you, 24 hours a day, are competent Yards' personnel and experienced commission men from the firms of E. A. Blackshire Co., The Cooper Commission Co., and Myers & Houseman, Inc.

During our 70th anniversary year, we thank you for making it possible for us to serve the livestock industry . . . we sincerely appreciate your business.

AN EXPRESSION OF APPRECIATION

The Eastern National Livestock Show is pleased to announce that the premiums offered for the 1961 Show are over \$50,000.00. The grand cooperation of the Maryland State Fair Board makes this possible. This year the Fair Board has awarded \$26,055.00 for Fall Show and \$2,022.00 for the 1961 Spring Hog Show. The State Fair Board composed of Frank D. Brown, Jr., Chairman, Port Deposit; Richard N. Wills, Secretary, McDonogh; Harry H. Rieck, Preston; Earl C. Robertson, Cumberland; Fred C. Ernst, Clear Spring; Albert J. Bailey, Hebron; John M. Crum, Frederick; Howard Clark, Glenelg; W. Lawson King, Gaithersburg; R. Nelson Phelps, Executive Secretary, Timonium, has been very generous.

In addition to the Fair Board the Eastern National Livestock Show is very appreciative of the support of the various beef cattle, swine and sheep breed associations.

There are also many individuals and organizations whose efforts and support have been of the utmost benefit and therefore are generously acknowledged.

In a sincere effort to continuously improve our Eastern National Livestock Show, your Directors and members of the Executive Committee are always looking for betterment. Several innovations have been added this year. Of primary importance is the Classifications for Junior Project Heifers. We hope to make this, our 15th show, uphold the high caliber of previous shows.

The Eastern National

The Eastern National Livestock Show, fourth largest livestock event in the nation, actually had its beginnings 32 years ago. In 1928, a handful of forward-thinking citizens, most of them cattle raisers or meat packers, organized the Baltimore Livestock Show and held their first exhibition at the Baltimore Union Stock Yards.

In the first year, nearly 2,000 head of livestock were shown and later auctioned off for \$247,000. A new world's record of 50 cents a pound for the grand champion load of fat cattle was achieved in that year . . . **It has been exceeded many times since then.**

The show's promoters had made the first step toward their goal to make Baltimore the largest livestock market on the East Coast. Another primary objective, of course, was the development and improvement of Eastern livestock.

The Baltimore Livestock Show continued at the Baltimore Union Stock Yards through 1946. The next step was taken in 1947.

Limited because of the facilities at the stockyards, the show group decided to make a move to the more spacious Maryland State Fair Grounds, where the huge barns, judging pavilions, restaurant facilities, sale rings and grazing fields offered the finest facilities to exhibitors. The name also was changed to the Eastern National . . . indicative of the show's expansion to something more than a local or area exposition.

EMPHASIS ON QUALITY

Throughout the years, the objective of the show has been **quality**. This emphasis has apparently proved successful because the Eastern National has become the largest and finest livestock show in the East. Paralleled with this advance has been the rise in Baltimore's position in the livestock shipping and meatpacking industry to eighteenth in the nation and second in Maryland industry.

Then, too, the Eastern National also stresses the importance of young livestock breeders. Such emphasis has resulted in the show becoming the culmination of all 4-H and FFA livestock endeavors in Maryland and many adjoining states.

The Junior Show—4-H Club and FFA exhibits—makes up the largest part of the Eastern National and is the second largest show of its kind in the country.

CONTRIBUTES TO ECONOMY

The Eastern National contributes to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of animals. It is one of the twelve regional shows of the country as

recognized by the various Breed associations, and is the only regional show located in the East.

With the industrialization and increase in population on the West Coast, more mid-Western meat is going West, leaving the East more and more dependent on its own meat production.

This has been recognized not only by the management of the Eastern National, but recently by cattle raisers, bankers and other agricultural interests in Pennsylvania who established the Pennsylvania Livestock Exposition several years ago.

The Eastern National is supported almost entirely by memberships . . . by breeders, cattle feeders, the meatpacking industry and marketing agencies.

If the show is to continue to grow . . . and to meet this increasing competition . . . it must have new support.

You, too, can be a "partner in the progress" of livestock improvement and the increase in the agricultural economy of the East. Won't you join the Eastern National TODAY?

500th - TO REPEAT CUSTOMERS

We have just sold our 500th head of Angus breeding stock to our 91st repeat customer. They have made 237 separate purchases. 47 repeat bull buyers have bought 143 bulls. We sincerely thank them all.

Weight for age—our cattle are impartially weighed by P. R. I. Ankonian Monocacy 2" and eight cows have received stars for producing heavy calves. Monocacy bulls were first and second high selling bulls in Maryland Tested Bull Sale in 1960 and third high in 1961. To top these sales the bulls had to have true beef type, as well as scale.

True Beef type—our cattle are impartially graded by A. A. A. and Maryland Beef Cattle Improvement Association, Of 43 calves by Ankonian Monocacy 2", eleven graded fancy and 26 choice. Other sires did almost as well.

Monocacy cattle have produced 24 Champions, 34 first prize, and 10 top selling animals.

The Aberan Herd

ELEVATE OF EASTFIELD the 1959 Perth Supreme Champion and our Senior Herd Sire. Supreme Champion at the 1961 Perth Show was a one-half brother to Elevate and was purchased by a syndicate made up of North American Breeders for \$33,000. One of Elevate's oldest sons won his class at the 1961 Perth Show and was sold to the Argentine in South America for \$30,000. Another son stood second in his class to his brother at this same show and went to New Zealand for \$21,000. No son of Elevate has ever been beaten in his class except by a brother.

Upgrade your herd with a son of Elevate of Eastfield. Selling at private treaty a select few of the top quality sons of Elevate. This is the first time in the United States this offer has been made. Due to the great interest and demand for these calves we have decided to offer a select few herd sire prospects at private treaty.

We extend a most hearty welcome to everyone to visit Edgehill at any time and see the many outstanding calves by Elevate of Eastfield and our Junior Herd Sire. Aberan O.B. 2.

WISE WORDS OF WISDOM

Moo, moo, Angus, have you any meat?

Yes, sir! yes, sir! It can't be beat!

Cut it, and cook it, and eat it with zest—

This meat by eating proved to be best!

Butchers around the world have attested this to me, and for personal reasons I never argue with a man with a knife!

Come by—have fun—see our Angus

Southern States helps you WIN The "BLUE" and the "GREEN"

The "BLUE"

Southern States feeds and other supplies help you win Blue Ribbons with your livestock—the Fair prizes that signify outstanding achievement. The extra measure of quality you get often makes the difference.

The "GREEN"

You count your profits in the "long green". Again, farmer-owned Southern States Cooperative helps you win by providing top quality feeds at fair cost.

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National.

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.

ANNOUNCEMENT OF THE ESSKAY DINNER

The Schluderberg-Kurdle Company will entertain members of the 4-H and F.F.A. groups, County Agents, extension officials at the University of Maryland, and the official judges at the Show at a dinner at their plant followed by an entertainment in their Auditorium, Tuesday, November 14, 5:30 P. M.

All winners of the William F. Schluderberg Awards must attend the Esskay Dinner and Program.

Because of the increasingly large number of 4-H and F.F.A. members expected to attend and the limited facilities available, this invitation must necessarily be restricted to the groups mentioned.
